4. Notwithstanding anything contained herein to the contrary, it is understood and agreed that this Certificate includes cover for loss, damage and liability of the Insured as defined herein whilst the Balloon is used in a place and/or in a manner and/or by a person not permitted by this Certificate, provided such use was not authorised by the Insured and that the Insured takes reasonable precautions to prevent such unauthorised use. 2. Subject to Section II Third Party Liability being in place then coverage excluded by paragraph 1(a) of the Noise and Pollution and Other Perils Exclusion Clause is hereby re-instated. The level of indemnity provided by this extension depends on the balloon's maximum take-off mass (MTOM) and is limited to the minimum amount required to be covered under EC785/2004, as set out below:

MTOM less than 500 kg	SDR 750,000	MTOM 1,000 to 2,699 kg	SDR 3,000,000

Cover under Section II Third Party Liability is therefore extended, subject to the above stated limits, to cover claims directly or indirectly occasioned by, happening through or in consequence of noise (whether audible to the human ear or not), vibration, sonic boom and any phenomena associated therewith.
